Sunday School Director: God in His wisdom, gave each one of us gifts to carry on His work. Some teach preschoolers, other children, youth or adults.

Sunday School Workers: We thank God for the gifts He has given us.

Sunday School Director: Our community offers untold opportunities to share the Gospel of Christ, and the Sunday School is organized to reach out to each person in love, attempting to involve each one in Bible study.

Sunday School Workers: We thank God for a plan to share the Gospel of our Lord Jesus Christ.

Sunday School Director: The Bible is the text of our Sunday School and is the inspired revelation of God to man. It contains the simple plan of salvation, directs us in our growth as disciples, and speaks to every issue of life.

Sunday School Workers: We thank God for His Holy Word

Sunday School Director: As workers in the Sunday School, we have a sacred responsibility to reach those assigned to us and to faithfully guide them in the study of God's Word. We must also lead them to apply the truths of the Scripture to their daily walk.

Sunday School Workers: We recognize our great responsibility and commit ourselves to be faithful in it.
