

Sunday School Evaluation and Reflection Questions
(For use with Sunday School leaders)

If I was your next-door neighbor and you wanted to “brag” on your Sunday School class, what would you tell me about your class?

You and I are on the telephone talking about your Sunday School class, what would you tell me about your class?

What is your greatest “joy” in your Sunday School ministry?

What is your greatest frustration in your Sunday School ministry?

What is God doing in your life or the life of your Sunday School class?

As a Sunday School leader, if you could make a new year resolution it would be...

What do you see as the greatest need for improvement in your Sunday School (class)?

What are you willing to do to help make that improvement?

What do you think we should do next?
