Sponsor a Venturer!
Venturers are individuals at least 18 years of age who serve in hands-on mission roles for a period of six months to two years.

The Venturer Program provides opportunities for longer-term mission service in local and global settings.

The basic provisions for all Venturers are:
• assistance in interpreting God’s call on the individual’s life and an appropriate response to that call;
• development of a position for service including job description and supervision;
• living arrangements;
• assistance with travel to and from the place of service;
• medical insurance during the term of service;
• and a network for accountability, nurture and counsel.
