World Malaria Day is Monday, April 25.

In honor of this day, let’s purchase the remaining 30,000 nets!

The original goal of More Than Nets, begun November 2012, was to raise enough money for 100,000 nets and plant 335 churches. As of January, BGAV churches, through More Than Nets, have

- completely netted 250 villages across 3 districts in Yendi, Ghana
- reduced malaria cases in those districts by 43%
- planted 235 churches
- baptized 4,000 people

Giving is easy!

- You can text NETS to 501501 to instantly donate $10 (the cost of one unit), or you can give more by texting NETS and your donation amount to 91011. You will be directed to a website to complete your donation.
- You may also choose to mail your gift to BGAV, Attn: More Than Nets, 2828 Emerywood Pkwy, Henrico, VA 23294.
- Visit BGAV.org/Donate to give.

If every BGAV church gives $250, we can meet our goal!
