“At Scottsville Baptist Church, we’re working hard to make table fellowship a way of life. Jesus met people at the table, and we’re called to do the same. By intentionally sharing meals, we are growing in discipleship and mission. Friendships among the generations have blossomed, new and seasoned members share the table, and we’ve found ways to make table fellowship reach out to the community. Jesus changed lives at the table, and it’s our privilege to join Him in this ministry.”

“Our culture has gotten out of the habit of sitting around the dining room table with neighbors and friends.”

Katie McKown, Pastor, Scottsville Baptist Church
