Welcome to the BGAV: Gospel Community Church - Rivermont

Andrew Moroz tells about Gospel Community Church - Rivermont, where he serves as Teaching Pastor, and why their church chose to join the BGAV:

In 2017 Gospel Community Church merged with the historic Rivermont Avenue Baptist Church, becoming Gospel Community Church - Rivermont (GCCR). This has launched both churches into a new season of ministry. We are still navigating the changes, but we are grateful to God for new ministry opportunities and fruit.

GCCR exists to glorify God by making disciples who love God, grow in community, and reach out with the love of Jesus Christ. From the corner of Bedford and Rivermont Avenues in Lynchburg, VA, we worship Jesus and preach his gospel. Above all, we aim to bring glory to God, to equip followers of Christ, and allow the Holy Spirit to guide our ministry.

On Sundays, you will find a predominantly contemporary worship service that contains aspects of traditional worship, liturgy, and prayer. During the week, we gather in community groups and
serve our city. Throughout the year, we fulfill the Great Commission
around the world through our global partners and church planters.

We partnered with the BGAV primarily because of the new
initiatives and the missional vision of the association. We see
this partnership mutually life-giving as GCCR shares some of its
resources, while benefiting from the what the association has to
offer. We trust that more people will be reached and discipled for
Jesus.

Learn more about Gospel Community Church - Rivermont at
GospelCC.org.

In the past decade, churches from inside and outside Virginia
and also outside the U.S. have become members of the BGAV
because of their desire to connect with the engaging ministries,
resources, and partnerships we offer. Gospel Community
Church - Rivermont is one our newer members, as they
joined BGAV in 2018. Please be in prayer for all our member
churches—those who are new, those who've been around
since 1823, and all those in between.
